Goldman's resort buy

MIKE GOLDMAN, the host of Channel Ten's *Big Brother: Friday Night Live*, has bought into the Bucasia Beach Resort, located about 10 kilometres north of Mackay at the start of the Whitsunday Passage. His \$1.6 million-plus outlay secures one of the 37 beach houses set to be developed under the Tempo Lifestyles brand on a one-hectare site. Prices at the resort range from \$810,000 to

\$1.85 million. Goldman sold a Hamilton investment property last year for \$290,000 having paid \$200,000 for it in 2005.
