## Sales reach almost \$19m

SALES in the Bucasia Beach Resort in Mackay have reached almost \$19 million since its launch.

Once complete the resort, which is the first under the Tempo Lifestyles brand, will feature 23 three-storey beach houses and 14 two-storey beach houses.

Since the launch sales worth \$18,873,294 have been negotiated by project developers Archer Property Group.

The bulk of buyers so far have been from Mackay, but others from Sydney and Brisbane had also purchased off the plan.

Friday Night Download and Big Brother host Mike Goldman paid about \$1.6 million for a three-storey beach house in the development.

Two and three-storey beach houses range from \$950,000 to \$1.9 million.

Construction is expected to start in August.
