TEMPO LIFESTYLES DEVELOPMENTS

Zeta bar, Hilton

Big Brother Friday Night Live host **Mike Goldman** was on hand to host this upscale property function for good reason: he recently purchased a Tempo Lifestyles holiday house on Queensland's Bucasia Beach for \$1.6 million.

Goldman introduced developer **John Archer** to the crowd, who were in turn introduced to a new range of resorts, spas and holiday homes to be launched throughout Australia and New Zealand by the Tempo team.

The pockets of paradise will be beachfront and in prime locations in Airlie Beach, Bucasia Beach near Mackay and in Queenstown, New Zealand.

Mingling in Zeta's VIP area with investors and buyers were Bondi blonde **Jaime Wright** and top Australian magician **James Galea**.
